WE'RE CELEBRATING YOU!

Happy Real Estate Professional Appreciation Month (REPAM)

As many of you know, every year around this time we pause to say thank you. You all are our customers and without you, we simply would not exist. From all of us at Barristers Title, to all of you, please accept our heartfelt appreciation for allowing us to help you with your transactions.

This year, you are owed a special debt of gratitude. In early March of this year, the World changed dramatically (How's that for a vast understatement!?!?). Healthcare workers around the Globe were recognized for their efforts and sacrifices, and of course, that was well deserved.

Receiving no attention were the attorneys, paralegals and title agents around the Country that kept doing closings. You did them with masks and face shields. You

sanitized your conference rooms over and over again. Some of you even did closings outside. And while you weren't saving lives, you were helping people achieve their dreams of home ownership.

You were also helping people refinance the debt on their houses. In many cases, the ability to refinance helped provide some economic relief to the financial ravages of the COVID Crisis. In the process, you allowed the economic engine of our Country to keep running. You risked your own health in doing so and while most of the Country didn't notice or applaud your efforts, we do.

So on behalf of everyone here at Barristers Title, you have our undying gratitude! We appreciate you! Thank you so much for everything that you do!
